molinebasketballassociation.org

DESCRIPTION: The Moline Basketball Association (MBA) is a non-profit, educational organization providing a supervised program of competitive basketball. It is comprised of seventh and eighth grade boy's basketball teams. These teams will participate in both local leagues and local area tournaments. They will receive a professionally designed program of instruction aimed at preparing a player for success at the next level of competition.

ELIGIBILITY: ALL seventh and eighth grade boys attending Moline School District schools are eligible to tryout. Consideration is without regard to race, color or national origin. All previous MBA participants must tryout again. While a member of an MBA team, players are not allowed to participate on any other team. WE WANT MOLINE PLAYERS WHO WANT TO PLAY FOR THE MOLINE PROGRAM.

ORGANIZATION: Teams will consist of 8 to 10 players. Teams formed for each grade level will depend on the number of players trying out and available coaches. We are always seeking coaches and volunteers to support our players and program. If you are interested in coaching a team, please indicate you would like to coach on player registration form or call 309-292-8377. Teams formed will be listed on our website: *molinebasketballassociation.org*

EVALUATIONS: The evaluation will consist of completion of basic basketball skills (ball handling, passing, shooting, etc.)

Middle school coaches will also submit a post season evaluation form to be used in the evaluation process. This evaluation form will be used if player is unable to attend.

WHEN: Sunday December 22
7th Grade 5:00-6:00
8th Grade 6:00-7:00

WHERE: Wilson Middle School Gymnasium

COST: Registration fee is \$125.00 for 7th and 8th grades. This covers the cost of uniforms, equipment, insurance, league fees and tournament fees. Fees are not paid until the parents' meeting which will be scheduled after evaluations. If you are unable to pay at that time, arrangements can be made.

SEASON: The season will run from January through March. Games will be played in both Moline and in the surrounding area. Parents are responsible for all transportation arrangements.
